LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In a phone conversation today, Examiner Patel brought to applicant's attention that an executed Declaration was not in the Patent Office file wrapper.

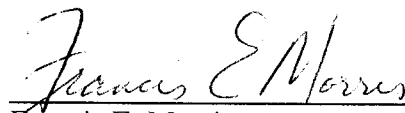

In response to a Notice of Missing Parts, an executed Declaration was filed on June 6, 2001 along with a copy of the Notice of Missing Parts notice, a small entity claim, a power of attorney and replacement drawings.

The Patent Office file wrapper has three entries for June 6, 2001. One of these is for "Oath of Declaration filed" but the four images under that entry are two pages for the claim for small entity status and two pages for the power of attorney. The other two entries include applicants' cover letter of June 6, 2001 and the notice of missing parts and the drawings. The cover letter states that the executed Declaration was submitted herewith. An updated filing receipt was issued on July 26, 2001.

In order to complete the file, a copy of the executed Declaration is submitted herewith. Copies of the cover letter of June 6, 2001 and the updated filing receipt of July 26, 2001 are also enclosed for the Examiner's convenience.

Date: July 16, 2008

Respectfully submitted,

A handwritten signature in cursive script, reading "Francis E. Morris", is written over a horizontal line.
